

# THE ART LEAGUE OF CINCINNATI

Preserving a Cincinnati Treasure since 1903

Another school year!!! But this time it is a whole lot different than any of us can imagine, either students going back in person, on-line at home, or a combination of both. And when they do go back, we want to make sure they enjoy and take in all the beauty of the architecture and art the school can offer that enriches their lives.

Will you help us continue our mission to document, preserve and enhance our Cincinnati Public School artwork?

Please support us by renewing your membership or become a first-time member! Even with an email, we can keep you informed of all that is happening with The Art League.

Call or email Membership Chair Blanche Sullivan at 513-741-3221 or [artleaguecincinnati@gmail.com](mailto:artleaguecincinnati@gmail.com) for more information.
